

Do you want to train to become a doctor?

You are invited to join us for an International Information Event to find out more about our Medicine Foundation course.

Our one-year Foundation Course is designed for high-achieving students who have proven academic ability, but don't have the necessary science or English Language qualifications to apply directly to our five-year Medicine MBChB course.

We offer:

- English Language courses
- Life Science top-up skills
- A flexible, personalised programme of study designed to prepare you for entry into our MBChB course

Our event includes:

- Presentations about the University of Dundee's Medicine Foundation course
- Insight into a current student's experience
- The opportunity for you and your parents to speak directly to our team about entry requirements, fees and course content
- Information on how to apply

International Information Event, Thursday 19th November 2015

Royal College of Surgeons of England
35-43 Lincoln's Inn Fields
London WC2A 3PE

Afternoon session: 2.30 – 4.30pm
Evening session: 6.00 – 8.00pm

Parents or guardians are welcome to join you.

The event includes **FREE ACCESS** to the College's famous Hunterian Museum of anatomical specimens before 4.45pm.

We look forward to meeting you!
